Dear Melt:

In reviewing my database, I find the following information regarding the Judicial Council:

J. Philip Reberger - appointed by Governor, oath is on file
Joel P. Hazel - appointed by Governor, oath is on file
Ronald J. Wilper - appointed by Idaho Bar, no oath on file for Judicial Council, but oaths on file in his capacity as District Judge
Elizabeth Chaves - appointed by Governor, oath is on file
Ronald M. Nate - appointed by Governor, oath is on file
Thomas H. Borrensens - serves on Council in advisory capacity only, no oath on file for Judicial Council
Steven A. Tuft - appointed by Governor, oath is on file
James D. Carlson - acts in capacity as Executive Director of the Council, no oath on file, but oath on file for former position as Deputy Attorney General
Roger S. Burdick - appointed by virtue of office as Chief Justice, oath on file

I have six oaths of office for six of the members of the Judicial Council. If you want copies of these oaths, please advise when you would like to have them available. The copying charges would be \$1.50.
